PROJECT: Hickory View Apts.
Town of Big Flats
Municipal Construction Inspec.
August 17, 2015

BY Jessica Verrigni, CPESC, CPSWQ

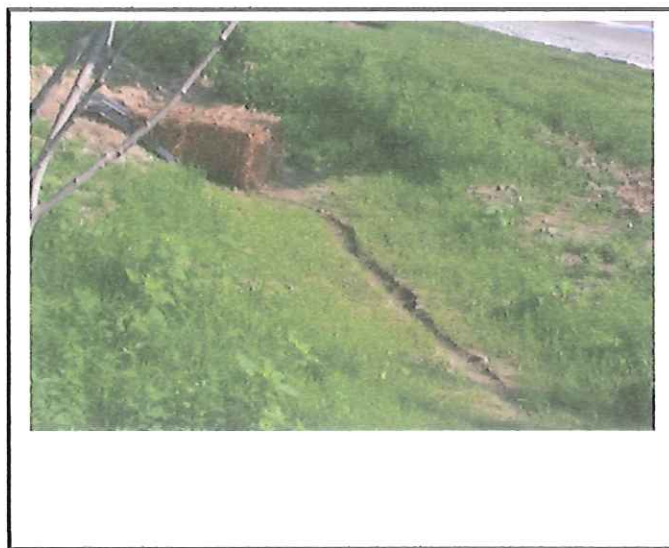

Contractor yard is being topsoiled for restoration.

Areas around new buildings have been stabilized and grass is now growing.

Vegetated swales- some are now holding water again and have trouble establishing vegetation.

Erosion is occurring in some of the vegetated swales due to straw blocking the drainage pipes.
